

Structured GCSE Programme

TAKE CONTROL OF YOUR LEARNING -
ACHIEVE YOUR GOALS, YOUR WAY

At NEC, we believe education should be flexible, inclusive, and accessible to all. Our Structured GCSE Programme is designed to support students of all backgrounds, providing a balance of independent learning, expert teaching, and personalised support to help every learner thrive.

WHY CHOOSE NEC'S STRUCTURED GCSE PROGRAMME?

- **Expert-Led Learning** - Regular live seminars and academic sessions led by experienced, qualified teachers who are passionate about student success.
- **Personal Tutor Support** - Every student is assigned a dedicated tutor for guidance, feedback, and motivation.
- **A Structured Yet Flexible Approach** - Designed to help students achieve one or multiple GCSEs in a year, combining structured learning with the flexibility to study at their own pace.
- **Built-In Progress Tracking** - Live check-ins for students, parents, and guardians provide reassurance and insight into progress every step of the way.
- **Wellbeing for Learning Programme** - Recognising that emotional wellbeing is key to success, we provide additional support to help students stay confident and motivated.
- **Mock Exams and Predicted Grades** - Practice exams under timed conditions with detailed feedback, plus predicted grades and academic references for further education applications.

- **Community and Collaboration** - Access to student course forums, where learners can connect, share ideas, and support each other.
- **Exam Booking Service** - Access to multiple exam venues across the UK, with support for specialist access arrangements to ensure every student can sit their exams with confidence.

WHO IS THIS PROGRAMME FOR?

This programme is ideal for:

- **Home-educated students** looking for a structured, yet flexible, learning pathway.
- **Learners balancing education with other commitments** (e.g. sport, performing arts, health needs).
- **Students who thrive outside a traditional classroom** but need structured support to succeed.
